

It's a pleasure to serve you!

Papillon's is a locally owned family business, not a chain. Since 1978, we've prided ourselves on serving you, our neighbors, the best food and drinks we can, in a cheerful manner and in pleasant surroundings.

We strive for perfection but may occasionally fall short. If we do, please let us know about it. We want to know our mistakes so we can correct them and avoid them in the future. We want your visits to be mutually rewarding. Once again, thanks for dining with us!

About our

ITALIAN FRIES

Wausau's Famous Italian Fries were created at Papillon's one evening in 1979 with the help of some customers and a lot of experimenting. From that humble birth, Papillon's has been the home of the world's original Italian Fries! Many have tried to copy our specialty, but our customers tell us they fall short!
